# The SBC <sup>4/6</sup> blade

Your choice: 4 BLADES or 6 BLADES, portable and perfect for slitting carpet

The SBC 4 (4-Blade) and SBC 6 (6 Blade) portable carpet slitters are ideal for slitting large pieces of carpet into narrow strips to make carpet base, samples, runners and inserts in a variety of widths. These models are portable and can be used by retailers and contractors alike.

The views (above) show how the carpet pieces easily slide out the back of the unit once cut.
